

Dear boys and girls,

This is the end of home learning. I can't believe I didn't get to say goodbye! This has been so difficult for me because I loved being your teacher. I miss you all.

For your last assignment this week please write a story or letter to me. I want you to tell me your top three favorite memories of grade three.

This means an introduction paragraph (who, what the story is about, when and where)

Three paragraphs about your favorite grade three memories (was it our winter adventures in the outdoor classroom? Could it have been our crazy wild git up dance at the Christmas concert? Was it a special friend you made? Maybe it was one of our parties to celebrate hard work?)

And an ending wrapping it all up.

Please send me your stories and I can post them for all to see if you want! If you just want them between you and I that's ok too. You can ask your parents to send me your story by taking a picture from their cellphone and send it to messenger or email it to me jolene.clancy@nbed.nb.ca

I hope to hear from you all and I cannot wait to see you again down the road!

Stay safe and big air hugs ! Ms. Clancy
