

Hey Grade 7! I hope everyone had a great weekend. Listed below is this week's lesson plan for June 1st- June 5th. Please email me your work by Friday at: andrea@esgenschool.ca. If you have any questions, please feel free to reach out.

<u>ASD-N Weekly STEAM Project.</u>	<u>MATH</u>	<u>LANGUAGE ARTS</u>
<p>Dinner time! Cooking from scratch has a whole lot of benefits. From expanding your palate, to using fresh, nutritious ingredients, to being able to gobble down the delicious creations you make.</p> <p>*Your challenge this week is to find a recipe to make in your very own kitchen. It could be an old family favorite or a new recipe from a cook book or website. Take the time to make it from scratch and enjoy the end product with your family. YUM!</p>	<p>-Spend 15 minutes every night reviewing your multiplication tables.</p> <p>- This week for IXL, I would like everyone to work on: "Exponents and Square Roots" K.1-K.8. https://ca.ixl.com/math/grade-7</p> <p>-JUMP Math Text book: This week we are going to work on NS7-12 Perfect Squares and Square Roots, Page 58-60. Please take pictures and email me your work.</p>	<p>-Read for 30 minutes every day.</p> <p>*Have you ever wondered about the menu items at your favourite restaurant and how they are described so scrumptiously? *Try designing your perfect restaurant! Create a menu of 10 food items and describe them deliciously. Then, create a logo for your restaurant with paper and markers or get creative with Canva! Consider your theme and your customers. What would draw people in? Try your menu out on family and friends! (ASD-N STEM)</p>
